

# TRANSFORMATION FOR THE FUTURE TOWARDS A COMMUNITY OF SUCCESS

## INVESTING IN FUTURE ASATIZAH TO STRENGTHEN CHARACTER

### Support & nurture inspiring religious graduates

- Returning religious graduates will undergo the Postgraduate Certificate in Islam in Contemporary Societies (PCICS). The first cohort will start in April 2020.

### Professionalising the religious sector

- **NEW** Asatizah Workforce Development Plan (AWDP) will articulate clearer pathways for asatizah, professionalise the sector and facilitate upskilling and development of the talent pipeline.
- First initiative to be introduced under AWDP is the Career and Competency Framework.

### Strengthening institutions

- Facilities at madrasahs will be enhanced.

## INVESTING IN THE FUTURE TO NURTURE A COMPETENT COMMUNITY

MENDAKI will enhance its mission to provide end-to-end educational support.

### Equipping young children with a strong foundation

- **NEW** MENDAKI-MUIS Preschool Grant will support parents who face financial challenges.
- KelasMateMatika@CC will be scaled up to benefit more families.

### Enhancing support to youth

- MENDAKI Tuition Scheme will be reviewed and scaled up.
- **NEW** Youth Mentoring Office will help youth navigate their career paths and achieve aspirations.

### Building a culture of lifelong learning

- MENDAKI's Raikan Ilmu campaign 2020 will champion lifelong learning.
- MENDAKI SENSE will step up support for upskilling of workers and jobseekers.

## INVESTING IN OUR COMMUNITY TO PROMOTE ACTIVE CITIZENRY

**NEW** CiptaSama@M<sup>3</sup> will allow us to better understand the community's aspirations and challenges, and facilitate active citizenry by co-creating solutions for the future.
